City Engineer Daren Grilley explained to the Commission that the Governor's Executive Order N-25-20, allowed for an exemption in a portion of the Brown Act requiring a quorum of Commissioners to be in-person. With the order expiring September 30, 2021, the Commission was asked to decide if they wished to return in-person meetings in August or September, or wait until the mandatory return at the October meeting. After a brief discussion, the Commission agreed that August Commission Meeting would remain virtual and at that meeting, they will consider if the September Meeting will be virtual or in-person.
